Select Fabricators, Inc.

Why SFi?

Select Fabricators excels in procurement of state-of-the-art materials, quality standard attainment, and total project review that insures compliance with customer specifications.

Select Fabricators' main facility includes 19,723 square feet of manufacturing, warehouse and office areas. On site ISO Class 7 (Fed. Std. 209E class 10,000) cleanroom with an isolated Class 5 (Fed. Std. 209E class 100) area is certified twice a year by an independent ISO accredited (ISO / IEC 17025) agency. SFi has completed projects for diverse industries including: Electronic, Optics, Automotive, Aerospace, Manufacturing, Military, Government, and Health Care.

Geographic Coverage: Conveniently located in Up-state New York near major transportation routes including the NYS Thruway, Select Fabricators can deliver worldwide.

Export Compliance and Controls: ITAR registered – US Dept. of State – Office of Defense Trade Compliance

Acquisition Vehicles: Accepts purchase orders, credit cards, ACH, government credit/debit cards, as well as inclusion in the GSA Schedule for EM /RF products -GS-07F-281AA (ends: June 4, 2018).

Areas of Expertise

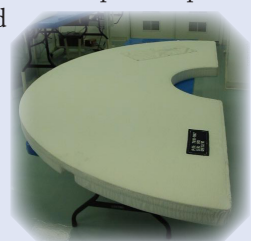

- Advanced product samples with specific test data,
- Contract packaging & assembly,
- Covers, tarps & liners,
- Custom fabrication of flexible materials,
- Mil Spec packaging & bags,
- EM/RF tent enclosures, curtains, pouches,
- Corrosion control packaging & bags
- Moisture / vapor barrier bags,
- Impact / abrasion resistance bags,
- Medical device assembly,
- Precision cleaning processes,
- Cleanroom secondary operations

Compliance Management

- ISO compliant
- cGMP compliant
- FDA compliant

NAICS Codes:

- 314910 – Textile Bag Mills
- 314912 – Canvas and Related Product Mills
- 322223 – Plastics, Foil, Coated Paper
- 326111 – Bags, Plastic Film, Single or Multi-Wall
- 334419 – Other Electrical Component Manufacturing
- 334220 – Army – Electromagnetic Interference (tents)
- 334511 – Search, Detection, Navigation, Guidance, Aeronautical, Nautical Systems & Instrument Manufacturing
- 334515 – Instrument Manufacturing for Measuring & Testing Electricity & Electrical Signals
- 339999 / 7050 – special ops command

Select™ Fabricators

Shield. Seal. Sew. Assemble. Cover. Comply.
